## Action Alerts and How They Work

Mid-August League members received an Action Alert about submitting comments in support of the **Oregon Climate Protection Program (CPP)**.

The State Action Team requested that we let the DEQ know of our support by August 30<sup>th</sup>. Typically, when such a request is issued, all League members in the state of Oregon should respond when able. Of course, participation is optional, but to have the greatest impact, we as League members should do our best to contribute.

A little background from LWVOR about the CPP Action Alert:

This year the League of Women Voters of Oregon has joined in coalition with a diverse alliance of environmental, economic, and climate justice advocates, businesses, and Indigenous communities working to restore Oregon's [Climate Protection Program](#) (CPP). The CPP sets clear, enforceable targets for oil and gas companies to reduce their climate pollution 90% by 2050. It will also enable upwards of \$150 million annually in statewide Community Climate Investments directly to low-income and communities of color who are most impacted by climate change.

LWVOR is deeply committed to addressing climate issues in Oregon. Whether it's the need for cleaner air, the protection of our natural resources, advancing environmental justice for Oregonians hardest hit by climate related disasters, or the creation of sustainable jobs, your voice matters. You can read LWVOR testimony on the CPP [here](#).

The public comment period for the Climate Protection Program (CPP) was open through August 30.

Watch for future Action Alerts emailed out from LWVOR, and please take the time to follow up with even just a short paragraph or two. In doing so, You are exercising your Advocacy muscles!

## An Important Date to Save!

### Candidates Forum in Reedsport

LWVUV is working with the Reedsport Rotary Club to hold a candidate forum at the Pacific Auditorium in Reedsport on Oct. 8. More details will be forthcoming via email.

LWVUV will present candidate questions similarly to how we have done it in the past here in Roseburg. We will lead the meeting and collect written questions from the attendees. The Rotary Club will be the candidates' contact.

This is the first time we have had the opportunity to hold an event in Reedsport as far as I can remember.

We invite all LWVUV members to attend, to assist at this meeting. Let us know if you plan to attend.

### *SPRING GARDEN TOUR 2025*

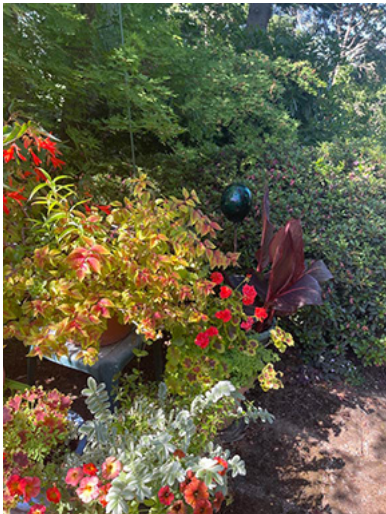

Photos are from the 2024 Tour

Hello LWVUV Members,

After making numerous cold-calls, asking for suggestions, and writing letters, we have a garden tour of 5 for next year. We could easily add one more, if we find another.

The tour will be the first Saturday in June, the 7th.

The first two gardens are in the old Roseburg neighborhoods near downtown, one of which includes a tour of an historic home-turned-Inn, also included for touring. The third garden is two miles up a bit of a hill from them. The final two gardens are in the Hucrest area - just around the corner from each other!

The gardeners are super enthusiastic! On one of the cold calls a committee member and I made, the gardener listened to my spiel, and with a sigh said, "...Wow. That makes this all worth it!" (And *that...* makes doing this job "worth it" to me! 👍)

Finding gardeners to volunteer their time and space so that 300+ strangers can tromp through and view it... is a fraught task. (Gardeners aren't exactly knocking down our doors.) Please keep us in mind when you see lovely or clever or colorful gardens. Big or small, we are interested!

## LWVOR Council 2024

Theme: Empowering Voters. Defending Democracy. This Council was held on **May 17-19, 2024**, in Newport, Oregon, and hosted by the Lincoln County League. Umpqua Valley was represented by Robin and Gerald Wisdom.

Here's a bit of what was discussed: workshops, an action committee report, a list of studies, and membership info. And much more.

The Luncheon Speaker was Mark Farley, Strategic Initiatives and Communications Manager for the Hatfield Marine Science Center.

Workshop I – Youth Recruitment and Retention  
Chloe Acosta, LWVOR Youth Council Legislative Communications Director  
Chloe provided firsthand insights into her experiences and perspectives as a young person working in legislative advocacy. The workshop also delved into initiatives led by LWVOR Youth Council.

2:30–3:30 – Workshop II – LWVUS Transformation  
Melissa Breach, LWVUS Board Member  
Melissa discussed the Structural Transformation Plan for the streamlined joining process that will facilitate the engagement of more members through local, state, and national websites and through national membership campaigns.

3:45–4:30 – Workshop III – Action Committee Panel  
Jean Pierce, LWVOR Action Co-Chair  
Action Committee volunteers shared a presentation discussing legislation which they worked on during the 2024 Legislative Session:

### 15 League-supported bills passed during the 2024 Legislative Session

These bills include legislation that:

- Increases foreign languages in voter pamphlets
- Limits artificial intelligence in Campaign ads
- Provides for infrastructure projects supporting housing
- Facilitates the repair of electronic devices
- Divests from thermal coal investments
- Expands training of Behavioral Health Workers
- Addresses the public use of restricted drugs
- Funds summer school

### Taskforces/Studies in progress

Taskforce—Education K through 12. The committee plans to identify other LWV state K-12 education positions including assessment, charter schools, civic education, and using public-funds for non-public schools, and propose them in spring 2025 for concurrence votes at LWVOR Convention May 2025. Committee is led by Jean Pierce of Washington County Unit.

Study—Assessing the Recall Process in Oregon. The study committee will publish study, create, and present consensus questions to local leagues for vote by fall 2025. An agreement committee will draft positions to be approved by the board and presented at LWVOR convention May 2025. Committee led by Keli Osborn and Linda Lynch of Lane County League.

Study—Caring for Our Children. With Board approval, the study committee reconsidered to present consensus questions to local Leagues by January 2025. An agreement committee will then create and propose new position(s) to be approved by the board and used for advocacy at the next Oregon legislative session. The committee is led by Kathleen Hersh of the Washington County Unit.

Discussion—Greater Idaho Movement. The discussion group has no current plans for concurrence or study at this time. Discussions led by Diane Shockey of LWV Klamath Falls.

## Families Helping Families

It's always wonderful to meet someone who is doing good things in our community, especially if it is for families in need. Lola Cornish with Safe Families for Children is that special person! After meeting with Lola, I learned about Safe Families for Children. This is their mission statement: "Safe Families for Children hosts vulnerable children and creates extended family-like supports for desperate families through a community of compassionate volunteers motivated by their faith to keep children safe and ultimately together with their families."

There is a great need for volunteers willing to give a few hours a week to help out a family in need whether it be for respite or helping out a family in need of transportation or just to be a family friend among many other family needs and ways to be involved. There is so much need in our community for families in need and this is a great way to be of help.

**For more information or to volunteer contact Lola Cornish at Safe Families for Children at [lola.c@hwam.org](mailto:lola.c@hwam.org) or call 541-900-5256.**

## Support Girl Scouts USA

LWVUS has formed a national partnership with Girl Scouts USA to help empower the next generation of civic leaders. LWV has worked with Girl Scouts to relaunch their "**Promote the Vote**" national service project, which equips Girl Scouts and troop leaders to get ready to vote, then get out the vote in their communities as trusted messengers. "Promote the Vote" features a Girl Scouts-branded [VOTE411.org](https://VOTE411.org) page as its primary tool for voter engagement. It also provides collaboration guidance for local councils, troops and volunteers looking to work with Leagues to Promote the Vote, achieve new Girl Scout badges, host civic events together, and more.

LWVUS has also provided a [local collaboration guide](#) to help Leagues initiate, build, and strengthen partnerships in their communities.

However, there is no Girl Scouts organization in Douglas County at this time.

## ***LWV's Transformation Plan***

Big changes will occur soon on the League's membership renewal platform. After ten years of debate and other plans, the Transformation plan will take effect in February 2025.

I listened in to a Zoom session recently with about 80 others from around the country at which LWV explained where they are at right now. While not all changes have been figured out yet, here are some of the changes that have been determined.

We will be able to join or renew from any location, i.e., League website.

We'll be able to still join offline.

We will be able to sign up for auto-renew.

Membership will be on a "rolling" basis, meaning your dues will be due one year from when you first pay your dues in the new system.

We'll be able to set up a profile in the new system, if we'd like to.

Dues will increase, although you will be able to pay what you can.

Instead of a fixed dues rate, members will choose their dues amount – "pay-what-you-can"

- The recommended rate will be \$75 per individual member
- The household designation is being discontinued, meaning all members will pay the \$75 or their selected amount
- There will be no student rate.
- Lifetime members will still be exempt from paying dues
- There will be a minimum renewal (or joining fee) of \$20
- Listed options of \$150, \$250, and \$500 as well
- Checks can still be sent in via the League treasurer (only); they are really discouraging the use of checks.
- Donations to local Leagues will not be split and will go directly to the local League.

These are the breakdowns of how dues are split now and will be split:

**Under current PMP system:**

- National: 51%
- State: 37%
- Local: 12%

**Under new system:**

- National: 33%
- State: 47%
- Local: 20%

## **Implementation Steps**

On a by-League basis:

- Update bylaws – our current bylaws state the following:  
Article VII, Section 2. Dues. Annual dues shall be determined at the annual meeting by a majority vote of the local League members present. Such dues shall be payable by each member on Nov. 30. Any member who fails to pay dues within sixty days after they become payable shall be dropped from the membership rolls. Life members shall be exempt from payment of dues.

***Continued from “LWV’s Transformation Plan”***

We may need to change this section at our next annual meeting.

- Take new percentage allocation into account for FY24-FY25 budget
- Guidance is available on League Management Site (see <https://www.lwv.org/league-management/membership/lwv-new-membership-system-faqs>)
- Update roster with expiration dates, emails, and point of contact

**All Leagues:**

- Will need a “Stripe” account which will track dues and credit card numbers. One person’s social security number will be required to set up Stripe. No other entity will have this data.
- Training - by League role, training sessions will happen soon after the election.
- Launch in January/February 2025

We will still be able to use our website (lwvuv.org) although other Leagues have gone with ChapterSpot, a free website, or Club Express. Both are currently involved with this process. Chapter Spot is the new “membership platform”. LWV will provide a widget or link to enable membership renewals and the ability to join from our website.

***In view of all this, our timing is just about right. Our League will conduct its usual membership drive from Oct. 1 to Nov. 30, and we will proceed as usual. A membership form is attached to this newsletter, and we will email a membership form to you. The amounts will be the same as in the past: \$60 for an individual and \$90 for a household. This way we won’t have to deal with renewing using the new system until later in 2025.***

*Don’t be late in sending in your renewal check before Nov. 30!*
